Job Category Code Listing

INSTRUCTIONS: This form allows you to select the job category codes for which you want to be considered. The job category code can be found next to the job title in the job listings.

This form replaces any previously submitted job category code listing. Be sure to RELIST all job category codes you wish to keep. If you are not certain which job category codes you previously listed, you can request a printout from the front desk receptionist at 914 Emmet Street, Charlottesville Virginia or call (434) 924-4598.
